

# **A WARNING TO AMERICA**

## **A Terrible Depression Is Coming With Widespread Crime, Riots, & Starvation!**

The Almighty God has decreed judgment upon America! America is soon going to be brought to its knees with a great depression much worse than anything we have ever seen. Unlike the last 1929 Depression, America will be filled with rampant violence, riots, and outright civil unrest in our streets. Martial Law will be declared in the coming years but cities and houses will burn out of control and law enforcement and emergency services will be completely overwhelmed!

We are not giving out this warning without much prayer and confirmation from the Almighty God of the Apostles and Prophets. Just as God warned Noah to build an ark in preparation for coming judgment so God is telling His people what to do to be prepared! Those who fail to prepare will be caught by surprise. When starvation, looting, and riots begin it will be too late to heed this warning!

What is coming to America is a judgment from God because of our rampant greed, immorality, homosexuality, pornography, child abuse, and the murder of about 50 million unborn children. If God did not allow America to be judged He would have to apologize to Sodom and Gomorrah! For America is no better than those wicked cities were in the time of Abraham and Lot.

Back in the year 2007 God had warned me that very hard times were coming to America and that it would be necessary for God's people to stock up on provisions and food for their survival. At that time I began preparing to store food, raise chickens and to plant a vegetable garden. Then in late September 2008 Yahweh God clearly told me that a very severe Depression was coming. I began teaching Bible Prophecies from Matthew 24 and Revelation chapter 6 which speaks of famines, disease, and violence which will plague the earth. When Yahweh God informed me that the four horsemen of the Apocalypse were already riding through the earth it literally sent chills down my spine.

The last seven year tribulation period before Christ returns has not yet commenced but the four horsemen will ride for many years before the Anti-Christ is revealed. This world ruler will emerge much like Adolf Hitler emerged from the depression in Germany back in the 1930's. The Anti-Christ will rise from the territories of the old Roman Empire in Europe. This eloquent man will bring a brief peace and prosperity to Europe and to the whole World but just as Adolf Hitler initially did much good for Germany so the Anti-Christ will start out doing good for the world but will abuse his authority by demanding to be worshipped. The Anti-Christ will seek to expand his world domination through violence and murder. Yet this one world ruler called the Anti-Christ will not appear until the world has suffered for many years from the four angelic horsemen listed in Revelation 6:2-8.

### **GLOBAL WARS WILL BREAK OUT ALL OVER THE EARTH**

“And I looked, and behold, a white horse. He who sat on it had a bow; and a crown was given to him, and he went out **conquering and to conquer.**”

The United States and other major nations will be too broke and too weakened by the economic

collapse and civil unrest to police the world anymore. Thus wars will be breaking out everywhere. Nations will be fighting all over the earth for vital resources such as food and oil. Israel will soon attack its enemies leading to major warfare, global fuel shortages, and the price of oil will skyrocket!

### **GLOBAL WARS AND ECONOMIC TROUBLE WILL LEAD TO GLOBAL VIOLENCE AND RIOTS**

“Another horse, fiery red, went out. And it was granted to the one who sat on it to **take peace from the earth, and that people should kill one another**; and there was given to him a great sword.”

The second rider differs from the first in that the first causes worldwide wars between nations to start breaking out everywhere. This corresponds to Jesus' prediction that “nation would rise against nation, and kingdom against kingdom.” Yet this second rider will cause widespread violence and panic within nations and kingdoms through a break down of civil order. Thus violence, looting, and riots will break out world-wide. Many major cities and towns will burn! Thus he shall “take peace from the earth.”

### **GLOBAL FOOD PRICES WILL SKYROCKET CAUSING WORLD HUNGER AND STARVATION**

“. . . and behold a black horse, and he who sat on it had a pair of balances in his hand. And I heard a voice . . . saying, A quart of wheat for a denarius, and three quarts of barley for a denarius; and do not harm the oil and the wine.”

It will take a full days wage just to pay for a quart of wheat or three quarts of barley. The average American makes about \$100 per day. It will probably cost about \$100 just to buy a few loaves of bread. Global food shortages will cause the cost of food to skyrocket. Hunger and starvation will be rampant in many nations, including America! Oil and wine symbolizes the anointed followers of Jesus Christ. The true Church of Jesus will be protected because they have been warned and have amply prepared.

### **ONE FOURTH OF THE EARTH'S POPULATION WILL DIE**

“. . . and behold a pale horse . . . and power was given . . . over a fourth of the earth, to kill with sword, with hunger, with death, and by the beasts of the earth.”

World wide wars, riots, disease, and starvation will cause a fourth of the world's population to die in the coming years. Jesus himself predicted that the end time would be characterized by “Men's hearts failing them from fear and the expectation of those things which are coming on the earth.”

World wide fear and panic will grip the earth like never before! Many who fail to take this warning to heart will severely regret it later. Our world is about to go into the most terrifying time of all human history. Those who are unprepared will not have the time to prepare later. God has revealed to me and to His True Church that He has begun to judge America and the whole world right now. America has brought this judgment upon itself through its greed, pride, unbelief, and pervasive immorality.

God has used me to warn the small church I Pastor but now I'm feeling an urgency to warn everyone, both professing Christians and non Christians alike. Yahweh God has given us some very heavy prophetic messages in our local Apostolic Christian Church. Here are a few of the warnings God has spoken to us:

#### **Prophecy of Warning:**

“My people must flee the cities and go to the country areas. What was shall be no more. My words are clear, My judgment righteous. Grow your own food, avoid the Southwest and mid-plain States (USA). Stay near the coastlands and waters. Rivers shall dry up and be choked. Cities shall consume life. Law and order shall be unreliable. People will fight each other. There shall be confusion and anarchy for a time. Then a semblance of order. The time is now, go to your neighbors and warn all. Tell everyone that the storm of My judgment is already upon America . . . . Civil disobedience, injustice, murder, rape, and crime shall be rampant but I will help those that prepare and are prayerful.”

#### **Prophecies of Judgment on America:**

“Stiff-necked and stubborn people. Proud, oh so proud. Your riches and glory are from Me. I take them back. . . . Woe to anyone who does not heed. My horsemen ride. Go forth, make haste. . . My sheep will survive. My sheep shall not want. Foods worth shall be measured in gold. Oh world, laugh at the dollar. The bald eagles wings shall be plucked! Israel is My Land yet you seek to divide it. No more!”

“You aid Israel's enemies, shall I withhold punishment? You wish my land divided [The Land of Israel], shall I divide yours? My sheep here my voice. Awake, arise, be separate! The time comes for retribution. America shall be punished as was Egypt. Turn to me, repent before it is to late.”

“Barren, void of the earth's fruit. Your bread baskets shall dwindle. Your people will say, it was not that long ago that we had plenty. Panic shall seize you. Where is your pride now. What good is your material

wealth now? Food shall be measured in blood. The American breadbasket shall become a barren desert (the plain states). Once fertile ground shall prosper no more. Riots shall consume your cities, violence shall be across the world. America shall be diminished. Plagues, famines, and pestilences shall consume the unbelievers. Earthquakes shall be in never thought of areas. Politicians shall cower, the earth shall tremble. Volcanoes and floods shall consume many but my people will be spared.”

I was deeply troubled by these prophecies spoken from a strong brother in our church whom I truly believe has the calling of the office of a prophet. Therefore I started searching on line for others who might be giving out these kinds of warnings. It was not long until I found that a highly respected Pentecostal Pastor had received revelation that this was not a recession, nor was it a depression, but God showed him that it was a judgment from God against America. Pastor Wilkerson said that he saw American cities burning from violent riots. New York City would not be spared. God had confirmed to me that what we were receiving from God in our church was the selfsame warning God was giving to David Wilkerson. Those who mock and laugh at this warning will not be laughing later.

As I continued searching for more confirmation I stumbled across Gerald Celente. This highly educated man is skilled at researching data and making predictions based upon that data. Mr. Celente predicted the fall of the Shah of Iran and the Iranian revolution, the collapse of the former Soviet Union, the 1987 stock market crash, the 1997 Asian Financial Crisis, the quarter of the dot com bubble, the sub prime mortgage crisis, and the financial panic of 2008. Mr. Celente predicted in 2007 that “corporate giants would tumble to their death” in 2008. Mr. Celente is on record as having stated on Nov. 12th, 2007 that the coming year (of 2008) would bring the beginning of an economic crisis “the likes of which no one alive has ever seen.” Mr. Celente predicts that America will experience economic depression much worse than in 1929, a tax rebellion, riots in the streets, and that by 2012 Americans will be more concerned about putting food on the table than receiving holiday gifts. He predicts that the USA will become a poor and undeveloped nation whose currency will fall to under 90% of its current value and whose population will be forced to turn their lawns into vegetable gardens. According to Mr. Celente, “Food producing gardens will become common on people’s lawns, as resources generally become more scarce.”

When I read these words I felt definite confirmation of what God had told me earlier. It would be necessary for many to grow their own food just as they did 100 years ago because it is going to be too expensive to truck it in. The high cost of food will force many to grow our own food locally.

#### **Quotes from Gerald Celente:**

“. . . the situation will be worse than the Great Depression. . . It is going to be very bleak. Very sad. And there is going to be alot of homeless, the likes of which we have never seen before. Tent cities . . . sprouting up around the country. . . We are going to start seeing huge areas of vacant Real Estate and squatters living in them . . . there is going to be alot of crime. And the crime is going to be alot worse than it was in the last 1929 Depression. . .”

Gerald Celente is a well respected, highly educated individual who is no religious fanatic. Celente has made so many marvelous predictions that even the American News Media respects him:

CNN HEADLINE NEWS admits: “When CNN wants to know about top trends, we ask Gerald Celente.”

CNBC admits: “There’s not a better trend forecaster than Gerald Celente. The man knows what he’s talking about.”

THE DETROIT NEWS admits: “Gerald Celente has a solid track record. He has predicted everything from the 1987 stock market crash and the demise of the Soviet Union - to green marketing and corporate downsizing.”

THE NEW YORK POST admits: “If Nostradamus were alive today, he’d have a hard time keeping up with Gerald Celente.”

Since Gerald Celente has made so many incredibly accurate predictions in the past we ought to take him seriously. I was amazed to tears after reading Celente’s predictions because I knew by the Spirit of Yahweh that God was confirming to me that there would be a terrible depression with crime, riots, lack of food, and anarchy. Law Enforcement will be overwhelmed. Many will find themselves without protection and will be powerless against the throngs of violent robbers and looters. The cities will be too dangerous to live in. Those who refuse to heed this warning now will regret it later!

Gerald Celente is not a religious prophet. He is not a religious fanatic. Yet even he has made

some startling predictions which agree with words of God's Prophets. The USA will become a poor nation. God still has prophets in the earth and He has clearly given us ample warning of our near future.

"Surely the Lord God does nothing, unless He reveals His secret to His servants the prophets." Amos 3:7

After much more prayer I kept receiving the same confirmations about the prophecies which were coming to our church. God had told me that He was "pulling the plug on America's financial blessings." When God told me that I heard the Spirit of God laugh within me. God was very happy to take away America's financial wealth. God kept telling me that He was judging America and that America had gone too far into wickedness for God to change His mind now.

God further showed me a vision of the capital of the United States with President Obama standing in front of it. A mighty angel was standing behind the capital with a flaming sword in his hands poised to strike. God is going to strike America very hard while Obama is the President! I saw another vision of a very large grave yard with multitudes of people rising out of their graves. God showed me that these calamities upon America would wake up many Americans to turn to Him for salvation. Many who were dead in trespasses and sins will arise to walk in newness of life. Yet God also showed me that even though His wrath was being poured out upon America with increasing severity, the great majority of Americans and professing Christians will continue to refuse to obey the whole gospel of Jesus Christ..

The Spirit of God was speaking the same thing to me as was the brother with the office of a prophet in our church. I asked God to forgive me for asking for more confirmation but these prophecies of judgment coming upon America were too great and too scary to not seek further confirmation about. I could not warn everyone unless I was 100% sure that this was the true unadulterated Word of Yahweh God Himself. Before warning the American Church I had to know for sure that what we were receiving was the accurate words of God for America in 2009. I greatly feared that our ministry would be condemned and that we would be punished as false prophets. Therefore God mercifully gave us confirmation after confirmation that these prophecies were indeed the true and accurate words of God.

As I continued to search for more confirmation I reasoned, if this is what God is speaking in our church, He must be speaking the same to other Spirit Filled Churches. It was not long until I found another Spirit Filled brother who claims that he has the office of a prophet in the body of Christ. This prophet also confirmed that God's revelation to Pastor David Wilkerson in New York City was the true and accurate Word of God. He also confirmed that God had decreed judgment upon America and that David Wilkerson was right! Then I came across a seasoned Prophet named Tom Deckard. This prophet has made predictions for over thirty years and no predictive prophecy he has ever spoken has ever failed.

#### **Here are the words that the Almighty has spoken through His servant Tom Deckard:**

This nation (The United States of America) has become a stench in the nostrils of God and it is too late to turn His judgment back. God's Spirit will no longer strive with America and America is in for a long hard fall. I realize this is not what people want to hear, but this is what the Lord is saying.

America prepare thyself to receive the judgments of your God. I gave thee of the fatness of the land and put strength within thee to overcome nations and kingdoms. But you now think that it was something that you have done within yourselves to have accomplished these things.

Woe unto you and your mighty men of valor. For I the Lord God shall bring to nought your strength and ability to overcome. It is I the Lord God that does bring forth kings and nations and it is I that tears them down. You have become an abomination to me. Your priests and seers are as sleeping dogs that have refused to repent and seek me with a whole heart. They minister for their own gain. I the Lord God will bring them to nought and turn them over to believe a lie.

I will cause the storms, earthquakes, and floods to become stronger and more frequent. I will send a sword through the land and will cause families to be at odds one to another, killing and being killed. Tumult will be throughout the land and your streets will run with blood. Famine will I send in the land and you will watch as your children die from hunger. I tried over and over again to reason with you O' nation, but you would have me not. We will now see as you have thought to have become your own god if you can deliver these people in their time of trouble. I will laugh at you and call you a foolish nation. You have forsaken the Living God and I have now forsaken you. You will know in the end that I am the God of Abraham, Isaac, and Jacob. I was in the beginning and so shall I be in the end.

These are not things that are going to take place overnight. It will transpire very slowly as it already has; seemingly as though there has been nothing taken place. This nation has become accustomed to all the storms, earthquakes, fires, floods, and everything else that the Lord has sent to try to get the attention of the church and this nation.

The days that lie ahead for the United States and the world are going to become very trying times. **The church is slipping deeper and deeper into a coma from which, only a remnant will awaken. It is this remnant that will do the great exploits in these last days.**

As I was reading these words aloud in front of my wife and two year old son I began to cry and tremble. I had great difficulty reading these words aloud because I kept breaking down in tears as I tried to read them. My whole body also trembled greatly because God's presence was moving heavily upon me because of my unbelief. After reading this prophecy my whole body continued trembling for hours. These words shook me to the the core of my being like never before. God's presence sternly rebuked me for demanding so much confirmation. I no longer needed any more confirmation. These prophecies are sure and certain to come to pass. America will be experiencing God's Wrath just as the disobedient Israelites experienced God's wrath for their wickedness against Him. Those who repent and prepare for the near future will be safe and protected but those who fail to heed this warning will suffer greatly. Many Americans are going to die in the coming years through starvation and violence! Yes God has decreed that "The American breadbasket shall become a barren desert. Once fertile ground shall prosper no more." It is a fearful thing to fail to heed the words of the living God.

### **WHY SHOULD YOU BELIEVE THE PROPHECIES OF TOM DECKARD?**

Tom Deckard has a 31 year track record of 100% prophetic accuracy. Here are a few of the prophetic signs God has given him: He prophesied the coming of the AIDS Epidemic 2 years before it was discovered. He prophesied that the Prime Minister of Barbados would resign from office. He prophesied that the cold war would end and the Berlin Wall would be no more, 1 year before it took place. He prophesied that tornado activity in America would become greater then ever before known on record. He prophesied the flooding of the Mississippi River 6 months before it occurred. He prophesied the coming of the first war with Iraq, and then prophesied that America would have to go back and finish the job at a later date. He prophesied the beginning of the European Common Market and the struggle that they would have accomplishing the task. He prophesied the events of 911 five years before it occurred. He prophesied the four year drought would be broken in Central Africa three days after he departed from the nation. This occurred exactly as God had spoken. He prophesied that flood waters would flow into the drinking water in Guyana causing thousands to become ill. This occurred shortly thereafter. He prophesied a great drought would come upon Madagascar. This occurred three months later. Tom Deckard has a real ministry of miracles. In just one crusade in Africa there were 800 people who went back to the doctor and were medically certified as having been healed from AIDS.

Since this prophet has been 100% accurate in the past we can be certain that America will experience famine, starvation, and violence. People will kill one another & our streets will run with blood!

Woe to the professing Christians in America who fail to heed God's warning! The same plagues will fall upon all who neglect God's voice. Those who laughed and mocked at Lot and Noah perished in their wickedness. Heed this warning and live. Those who disregard God's voice will suffer the same consequences as the wicked!

" . . . this is a rebellious people, lying children, children who will not hear the law of Yahweh; Who say to the seers, Do not see, and to the prophets, do not prophesy to us right things; speak to us smooth things. prophesy deceits." Isaiah 30:9,10

So likewise even today, many rebellious people who call themselves Christians refuse to hear the true words of the prophets, but would rather choose to hear "smooth things" from false preachers who "prophesy deceits." They expect to be raptured without going through tribulation. Thus they will be totally unprepared for the coming tribulations which will soon affect the whole earth.

Those who live in urban and suburban areas should pray about selling their homes for whatever price they can receive and move to rural locations. You will get alot less for real estate now but you can also buy cheap properties out in the country. I'm sure it was not easy for Lot to leave Sodom when the word of the Lord had told him and his family to flee Sodom. Nor was it easy for Noah and his family to go through all of that trouble building the ark and storing provisions. Likewise, it is going to be very difficult for many to flee big urban areas and the South Western and Plain States. This warning may seem ridiculous to many but it is no more ridiculous then angels warning Lot and his family to flee Sodom and Noah and his family building a giant boat. Warn everyone you know while you prepare to move out of populated areas and store up provisions.

If you and your family want to survive in the coming years your going to have to start preparing

right now. Here is a list of things you should do now before it is too late. If you fail to prepare now you will not have time to prepare later. There will be disruptions of food and oil supplies causing the cost of food and oil to skyrocket. The unavailability and high cost of food and oil will cause widespread violence and riots which will bring terror to the hearts of many. Those who are unprepared when this happens will feel like they woke up to a nightmare. It will be too late to get out of many big cities and it will be too late to buy food and guns!

### **HOW TO PREPARE FOR THE DEPRESSION**

The Christian pilgrims and settlers carried guns so why are so many offended when Christians carry them now? It is not a sin to use a gun for hunting. The right to bear arms is a constitutional right. Guns are wonderful tools for hunting game. So pray about legally purchasing firearms and learning how to safely use them.

#### **UNITE WITH OTHER CHRISTIANS AND NEIGHBORS FOR MUTUAL PROTECTION**

Since many Law Enforcement Agencies will be completely overwhelmed, there will be no one to protect you. Communities and neighbors who band together will have better protection. Neighbors who live close can watch each others property and come to each others rescue.

Many groups of Christians can band together to build complexes of small shelters around large farm areas. Many can use dogs outdoors to alert them of intruders.

#### **BUILD UP A STOREHOUSE OF FOODS AND SUPPLIES TO LAST A FEW MONTHS**

Buy large bags of corn, rice, barley, beans, lentils, peas, etc. and store them in a dry place. Stock up on bottled water, dry milk, baby formula, vitamins, spices, sugar, jarred fruits and vegetables. Also candles, lanterns, stockpiles of wood for heat (oil may become unavailable or too expensive to buy), sanitary needs and medical supplies. Make sure you purchase all the tools and things you need before civil unrest breaks out. Once it breaks out it will be too late to go shopping!

#### **GROW YOUR OWN FOOD**

If possible, collect the vegetable seeds that you want to plant and convert your yard into a large vegetable garden. Pray about raising chickens, dairy goats, or even rabbits for meat. The early American settlers lived quite well in America without having large grocery stores and shopping malls. So will many Americans have to re-learn how to survive off the land again. Our survival may depend on it!

#### **PRAY, READ, AND OBEY THE BIBLE DAILY**

God's hand of protection will be on those who pray and obey His Words. Those who fail to obey the gospel and maintain a holy life will lack His protection. Jesus said, you must be born again! Obey John 3:5 and Acts 2:38!

“. . . Repent, and let everyone of you be baptized in the Name of Jesus Christ for the remission of your sins; and you shall receive the gift of the Holy Spirit.” Acts 2:38

#### **DO NOT SAVE U.S. DOLLARS - BUY SILVER OR GOLD**

We believe it is wise for God's people to save silver and gold in reserve because the U.S. currency will soon lose much of its value. This will give you purchasing power and real money to afford goods and to relocate as the Lord leads!

JESUS predicted the end time conditions prior to His return in Luke 21:25,26:  
“And there will be signs in the sun, in the moon, and in the stars; and on the earth **distress of nations, with perplexity, the sea and the waves roaring; Men's hearts failing them for fear and the expectation of those things which are coming on the earth.**”
